First Interstate Bank Paints VIM

On Wednesday, September 11, VIM welcomed six employees from First Interstate Bank during their 2nd Annual Commitment to Community Volunteer Day.

VIM had not been updated since the clinic's opening in 2001, but this has been a year of change and improvements to the clinic. Thanks to the First Interstate Bank employees, VIM got a fresh coat of paint in the breakroom, counseling room, and administrative spaces. We are so grateful for their help!

Giving back to the places we call home is central to our corporate identity at First Interstate. And on September 11, 2019, we put this attitude into action during our second annual Commitment to Community Volunteer Day. During this special day, all First Interstate Bank locations will close at noon so our employees can volunteer from 1 to 5 p.m. At 2,500 employees strong, we hope this collaborative and powerful impact is felt across our footprint.

About Volunteers in Medicine Clinic of the Cascades

Volunteers in Medicine Clinic of the Cascades (VIM) is a nonprofit clinic in Bend that provides free medical care to low-income, uninsured adults from working families in Central Oregon. Our mission is "to improve the health and wellness of the medically uninsured or critically underserved through the engagement of professionals, community partners, and dedicated volunteers." VIM is the only clinic in Central Oregon that cares for the uninsured without charge. Patients receive primary and specialty medical care, medications, mental health care, surgery, physical therapy, lab work, medical tests, and education programs. All care is provided through medical and support volunteers. www.vim-cascades.org
