

TO: Physicians and Physician Assistants Interested in Registering with the Board for Limitation on Liability for Donated Services

RE: **Liability Limitation for Donated Services**

Oregon Revised Statutes 676.340 and 676.345 limit the liability of Oregon licensed physicians, physician assistants, and certain other health care practitioners from injury, death, or other loss that may arise from services they provide without compensation. These health care practitioners are liable only when such loss results from gross negligence on their part, provided they have met the following prior conditions:

1. The physician or physician assistant is registered with the Oregon Medical Board as a provider of health care services without compensation who wishes to claim the liability limitation provided by ORS 676.340 and 676.345.
2. The patient, or a person who has authority under law to make decisions for the patient, signs a statement notifying the patient that the health care services are provided without compensation and that the practitioner is liable only to the extent provided by the law. This *Notification of Health Care Services Provided Without Compensation and Limitation of Physician/Physician Assistant Liability* form must be signed prior to receiving the services.
3. The practitioner receives the informed consent of the patient, or the person who has authority under law to make health care decisions for the patient, prior to providing the health care services.
4. The practitioner provides health care services without compensation, except for reimbursement for laboratory fees, testing services, and other out-of-pocket expenses.

There is no charge by the Oregon Medical Board for registration in this program, which must be renewed annually. However, to keep expenses down, the Board will not send renewal notices. Participating physicians and physician assistants will be responsible for updating their own registration each year.

The registration form needs to be completed and returned to the Board, and the *Notification of Health Care Services Provided Without Compensation and Limitation of Physician/Physician Assistant Liability* form to be signed by the patient prior to providing health care services. You may obtain additional copies of this form by visiting the Oregon Medical Board website at **www.Oregon.gov/OMB**. If you have any questions, please contact the Oregon Medical Board at 971-673-2700.
